Partner Organizations	Project Descriptions
Detroit Black Community Food Security Network (Detroit, MI) http://www.detroitblackfoodsecurity.org The Detroit Black Community Food Security Network (DBCFSN) was formed to address food insecurity in Detroit's Black community, and to organize members of that community to play a more active leadership role in the local security movement.	Detroit People's Food Co-op launch DBCFSN is in the process of developing a food co-op in Detroit's historic North End serving the urban, predominantly African American, low and moderate-income community. This member-owned co-op will serve nutritious, fresh food where it is often inaccessible or unaffordable. With the projected launch year of 2018, DBCFSN would like assistance in developing a community marketing plan for the co-op.
Focus: HOPE (Detroit, MI) http://www.focushope.edu Focus: HOPE is a civil and human rights organization formed in 1968 with the goal of using practical and intelligent action to overcome racism, poverty and injustice. To accomplish this goal, Focus: HOPE takes three main approaches – Food, Careers, and Community – providing monthly food packages to more than 43,000 people a month, providing pre-apprenticeship and apprenticeship training for in-demand industries, and implementing a place-based comprehensive community development approach.	HOPE Village Children's Defense Fund Freedom Schools Freedom Schools are summer and after-school enrichment programs that use social-justice oriented reading and STEM curricula to educate strong, literate, and empowered young people. Focus: HOPE's program began in 2016 and aims to expand significantly in 2017. Various intern opportunities: • Develop a sustainable funding plan that will enable Freedom Schools to expand and meet the high demand among HOPE Village children and families. • Engage in fundraising activities, including grant-writing, prospect research, and event planning • Lead program finance operations, including preparing budget and tracking expenses/revenue • Develop marketing strategy and increase program visibility among various audiences.
	HOPE Village Initiative – Business Planning HVI is a long-term, comprehensive, place-based initiative designed to radically change the odds of success for children, their families and the neighborhoods surrounding Focus: HOPE's campus. HVI is seeking a business analysis and plan of a possible service provider role using best practices learned from HVI programming and operations, to contract with nonprofits, municipalities, and other entities. Intern responsibilities: • Conduct a feasibility assessment and develop a business plan for the concept.
	Finance Intern responsibilities:
Urban Ashes (Saline, MI) https://www.urbanashes.com/ Urban Ashes manufactures hand-made furniture and picture frames from salvaged and de-constructed wood, diverting tons of wood from landfills. It also "repurposes" human lives, relying on a workforce of ex-felons and at-risk community members, and providing them with meaningful employment.	Financing and Business Development Urban Ashes is ready to expand into new product lines and sales outlets. Its plan includes hiring 25+ new employees in the next 3-5 years, which would result in diverting 400 tons of wood from landfills. This internship would help Urban Ashes:
	Review its supply chain in an effort to scale its production Identify, assess, and secure new investment to support its expansion

Partner Organizations	Project Descriptions
